

“5”

AN OVERFLOW OF GOD’S GRACE IS UPON US NOW

About a week ago I was given a vision of the number “5” and I began to seek the Most High God for the interpretation and He immediately told me that an overflow of grace was being released upon the Kingdom Remnant Seed of Honey Rock Victorious Church International because:

- A. We have been faithful and obedient for multiple years to feed the hungry and thirsty both in the natural and the spiritual as well.
- B. We have been faithful and obedient for multiple years to minister to the stranger, homeless, helpless, rejected, and cast out the compassion and loving kindness of the Most High God.
- C. We have been faithful and obedient to clothe the naked even accepting the great challenge of providing clothes and other household items that practically cost them nothing at our own expense.
- D. We have been faithful and obedient to minister to the sick, afflicted, demon oppressed and possessed, going outside the walls of our church; because WE ARE A CHURCH WITHOUT WALLS.

E. We have been faithful and obedient to take this great anointing into the prisons, jails, nursing homes, transition houses, and other places of confinement to see the captives set free.

{Matthew 25:34-40}
