## **Expecting More: The Power of Your Confession**

By Apostle Jerry Upton

Are you ready to take responsibility for the words that are released from your mouth?  
Are you ready to release the creative power of life through the words of your mouth?  
The Word of God teaches without question that words carry the power of life and death:

*“A man’s belly shall be satisfied with the fruit of his mouth; and with the increase of his lips shall he be filled. Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof.”* **Proverbs 18:20-21**

Jesus released the revelation concerning the words of our mouth in **Matthew 12: 31-37**, when He revealed that :

\*\* Words shape our destiny, and move us into living a justified life. {vs. 37}

\*\* Words cause us to produce fruit, and bring forth good things. {vs. 33, 34, 35}

\*\* Words that reveal our character. {vs. 33-35}

\*\* Words determine our rewards and judgment {vs. 36-37}

The power of your confession will determine what will be released in your life, and it is essential that rather than you speaking how you feel, what you don’t have, how unfair life is, or who is holding you back; that you begin to speak what God’s Word says about you.

In order to help you move the words that come out of your mouth in the right direction, in the following pages (links) we will look at several areas of confessions that need to become a part of your lifestyle. This is not a ‘try it for a few weeks to see what happens’ process, but rather a full commitment to incorporate these confessions in your lifestyle on a daily basis. (Each confession is in a printable, downloadable format.)
