Glory Bombs!

Before the Lord spoke anything to me, I saw before me a reel of negatives and film from a movie reel. He then spoke in order the words below.

Destiny Carrier
Destiny Changer
Storyline
Detonated

I asked the Lord what the word storyline represented and He said....

“Instagram is a social media outlet that a lot of young people use. It has a storyline that keeps track of your posts as you share them.”

The Lord said, “In the spirit realm, He has given us as parents the authority to change our children’s storyline. Communion with me births authority.”

The enemy tries to get us to focus on the negatives, but God is saying to rise above the negative situations that your children may be in. He sees their whole storyline from beginning to end. Rise above your emotions, rise above the negative and conform to His word. Speak God’s word over their life, over their destiny. The Lord says, “The enemy is on the rise in disguise. So speak what you want to see rather than what the enemy is displaying before you and your children.”

“Death and life are in the power of the tongue.”

I saw before me a battlefield and on it was a soldier carrying another soldier. The Lord is giving us a military strategy that will change the

course of our children's destinies. We are working together with the Holy Spirit and his word to accomplish His will in our children.

"This is not a one-man operation," says the Lord. "This is not about your perspective of other soldiers you are serving with. In the spirit realm you are carrying one another's burdens and as you open up your mouths and speak my word over each other's children...

MY GLORY WILL SHIFT THEIR STORY!"

"Glory bombs will be dropped over the plans of the enemy. Detonated Glory bombs that will SHATTER the plans of the enemy with precision. This will produce MY plans in their lives," says the Lord."

Detonated means:

- 1 : to explode with sudden violence
- 2: to set off in a burst of activity

*"Bear ye one another's burdens and so fulfill the law of Christ."
(Galatians 6:2)*

"Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof." (Proverbs 18:21)
