

My Glory is Arising!

February 23, 2021

The Lord says:

“Don’t give up, my hand is on thee
Hold to my hand, cling to me
You will excel in strength, you will excel in stature
I will present you to the Nations for all to see, this can only be done by
my hand, says the Lord
I will lead you out and into your promise land
Put your hope in me, look to me
this is not a time to give up, but a time to look up!
I’m all around you
Yes, perilous times times are coming,
but I will lead you out
Hold your head up and look to me
Don’t look back, do not doubt
I’m doing a new thing
Empty yourselves of things that weigh you down
Make more room for me
To die to self is to live in gain
You are gaining me for all eternity
Strike while the iron is hot
I will show you the spot
A recompense is emerging
Trust me in the making
I am your way maker!
Exuberance comes from within
I am holding your hand
You’re not alone
Time will tell
Make me your habitation
Make me the spotlight
I am your fame in the fame
This light will draw others to me
The enemy can’t put the light out if you’ll stay plugged into me

My light is emerging among you for all the world to see
This is why you must come together
in unity for I'm doing a new thing
All hands on deck
All eyes on me, my Glory is arising!"
