Prophetic Insight for the Last Days

“LEARNING HOW TO RELY ON THE GUIDANCE OF THE HOLY SPIRIT”

By Apostle Jerry Upton

We now come to one of the most important principles that we have to make it a point to live by and that is being led by the Holy Spirit. The greatest help you will find in times of trouble is the great assistance of the Helper – the Holy Spirit. The world cannot understand or comprehend who the Holy Spirit is; however, the remnant of God not only know Him, but realize that He dwells with us and lives in us.

“Even the Spirit of truth, whom the world cannot receive, because it seeth Him not, neither knoweth him: but ye know him, for He dwelleth with you, and shall be in you.” {John 14:17}

We were given a promise from Jesus concerning the role that the Holy Spirit would play in our lives, and that is:

“But the Comforter, which is the Holy Ghost, whom the Father will send in my name, He shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you.” {John 14:26}

The Holy Spirit has all of the spiritual gifts living within you, and is ready to manifest them whenever there's a need. The reason this is so important in your life is that the release of the supernatural in your life will give you authority and power over the natural realm. This will protect you where He leads you to go, what He leads you to speak, and what He anoints you to do. You really need to get very

familiar with I Corinthians chapter 12 because it is the master key to operating and flowing in the power of the Holy Spirit.

As we move into the last minutes of this earth age, our dependency on the leading of the Holy Spirit will grow greater and greater. Several years ago, the Spirit of God gave me Romans chapter 8 to meditate and make it a part of my everyday life. Little did I know at the time that He was getting me ready for this very hour. He revealed the following 8 principles to me from Romans 8 that have made the difference in my life:

A. Greater law governs my life now and it is called the Law of the Spirit of Life. This law gives me the ability to walk in life and righteousness instead of sin and death. What's so important about this is that when I live my life by the Law of the Spirit, I have access to everything that the Holy Spirit has.

B. Living by the guidance of the Holy Spirit will protect my mind from the pull of the flesh, and will keep my mind on the things of the Spirit and focused on the will and purpose of God.

C. The Holy Spirit is the only power on the earth that can teach me how to walk with God consistently. When I allow Him to lead my life, I will always be free from guilt and condemnation, and the enemy will not have an entrance into my life.

D. The Holy Spirit prays through us the perfect will of God even when we have no natural understanding of what He is praying for. This is definitely one of the greatest things that keeps us from being placed in dangerous situations because of our own human reasoning.

E. When we are led by the Spirit of God, we then take on the personality of being a son of God. This allows God to trust us with greater authority and power, and to provide for us a covering that covers us wherever the Holy Spirit leads us to go.

F. The Holy Spirit empowers us to have confidence and assurance in God's ability to guard us and protect our lives. This is one of the greatest places to live

and walk, and it propels us to operate in the boldness of God that reveals us as being more than a conqueror.

G. The Holy Spirit gives us the understanding of what it means to be an heir of God and an heir with Jesus. You will never be able to fully release your faith in your royal inheritance until the Holy Spirit gives you understanding of this principle.
