\*\* In tonight’s class we will expose, reveal, and uncover one of the greatest **deceptions** that the devil has cleverly deceived the entire world with. It is such a **mastermind deception** that 98.99% of the church world not only believes it, but also promotes it, supports it, advances it, preaches it, and labels anti-Semitic anyone who disagrees with this universal deception.

\*\* In order to understand how diabolical and demonic this deception really is, we must understand **how** it first started; **who** were the individuals the devil used to establish it; **what** was the true purpose behind this agenda; and **where** this deception will eventually lead to. Not only is this deception accepted throughout the religious communities throughout the world <but especially in America> it is also protected and encouraged by the strongest forces on the face of the earth.

\*\* Let’s look at how it first got started:

1. In a letter dated November 2, 1917, British Foreign Secretary, **Arthur James Balfour** submitted a declaration to **Lord Walter Rothschild**, a leader of the British Jewish community to establish a Jewish homeland in Palestine. The British government hoped that that the formal declaration would help garner Jewish support for the Allied effort in World War I.
2. What has been kept a clever secret is that Great Britain had no sovereign rights over Palestine; it had no proprietary interest; it no authority to dispose of the land. In actuality this was **“the greatest rip-off”** that has ever taken place that was sanctioned by the **League of Nations**.

3. In 1947, the UN General Assembly passed a resolution endorsing the partition of Palestine into two states. This resolution constituted 'international legitimacy' by the international community; when in actuality it was orchestrated by the Rothschild International Banking System and the Zionist Movement <more about this under the **who**>
4. Behind the scenes of **World War I** the unseen forces were involved in funding **both sides** knowing that they would control both the winners and losers and reap whatever rewards they desired. These forces were the guiding forces for establishing and creating the state of Israel, and the star that is on their flag is also the Rothschild's dynasty identifying **MARK**.
5. Why is all this history necessary in understanding the chosen people of God? Because the devil has cleverly fabricated that 1948 was a fulfillment of prophecy of the beginning of the regathering of God's chosen people; and therefore the alleged Jews in Israel must be supported, protected, defended, and esteemed highly.
6. For a visual and audio look at all of this information, we will now watch **15:19 seconds** of the YouTube video entitled "**The Hidden Hand of the Rothschild Banking Family**".

Other great videos to watch concerning this family are:

\*\* Now the greatest deception with all of this is how the devil has deceived the majority of what is called the Christian world to support the Anti-Christ State of Israel, while thinking that they are doing God's Will. Prominent evangelical leaders and teachers, commentaries, books, Christian movements, and churches have been instrumental and influential in convincing the majority of the Christian church that the alleged Jewish people in Israel are still God's Chosen People.

\*\* Why is this deception so vitally important to understand especially in these last days?

1. Because the **Man of Sin** who is about to arise and come forth will use this deception to prepare people to receive the mark of the beast.
2. Because the **Man of Sin** will use this deception to finance his agenda for a **New World Order**, and will utilize the Christian church to support and defend this deception.

3. Because the **Man of Sin** will use this deception to influence powerful nations to enter into an unholy covenant that will not only protect his demonic agenda, but will also persecute those who do not accept this deception.
4. Because the **Man of Sin** will use this deception to justify the killing of innocent people; stealing their land, property, and possessions; and destroying the souls of many because they are serving a counterfeit Jesus.
5. Because the **Man of Sin** will use this deception to set up the New World Order; the Universal One World Religion; the Universal One World Global Economy; and the total control of the hearts and minds of those who have accepted this deception.
