

The Flocks of Kedar Restored/Let Me Show You Who Is God

October 5, 2019

As I prayed for our financial freedom, I heard the Lord say that He was returning, restoring the flocks of Kedar to us.

The people of Kedar share the name of Abraham's grandson. They were known for their wealth in many flocks of animals. They were also of Muslim descent, not people of the Most High God. (Psalm 120:5) Their wealth is the wealth of wicked which has been laid up for the just. (Proverbs 13:22)

God is restoring what the enemy has stolen that rightfully belongs to us since we are the just of Almighty God.

The Lord tells us that He will restore to us the years the different locusts (the enemy) have eaten in Joel 2. What has been taken by the enemy that rightfully belongs to us is being restored to us!

I hear that we have suffered long enough at the hands of the enemy. "Those that are faithful will receive a double portion of all that was lost or stolen, of all that was laid up for the just."

Then as Apostle spoke at Tuesday prayer about the abundance coming, I heard the Lord say in His power and strength, "Let Me show you who is God."

This morning as I prayed about what God said. He took me to 1 Kings 18 where Elijah calls the people together during a drought to make a sacrifice to God for Him to send rain. The god of the prophets of Baal could not do anything to burn up their sacrifice. Then Elijah soaked the sacrifice of the children of Israel with water 3 times and filled the trough around the altar with water. Elijah called out to the true God. He rained down fire from Heaven and burned up not only the sacrifice, but also the altar and the stones and the dust.

Later, Elijah heard the sound of abundant rain coming in the spirit, and without giving up on what he'd heard, he sent his servant seven times to look for the rain cloud. At last, the cloud manifested and the heavy rain came.

This is what I heard the Lord say: "I am the God who answers by fire. Don't I lay down and not take it back up again? I am He, I am God. For all the doubters to see, I will make it rain. I will make it rain from the north to the south, to the east and the west. I will make it rain – so much that you'll be amazed. A heavy downpour is coming. I hear the abundance of rain in the north. My rain always comes from the north, from the top down."

Some people give up on the promises of God when they don't see them right away. But the Lord says: "Be steadfast, be true, the rain, My rain, is coming!"
